PASSION, COMMITMENT,  
DETERMINATION AND  
DISCIPLINE FOR THE  
NEXT 2 YEARS.**

**Are you ready?**

**A special batch that prepares students  
to score **190+** at MHT-CET Medicine.**

**MHT-CET  
MASTERCLASS  
FOR MEDICINE**

Devised for excellence.

**KALRASHUKLA CLASSES**  
*A Class Apart*

**PROSPECTUS 2010**

Prof. M. H. Kalra and Prof. R. D. Shukla  
the Founders of Kalrashukla Classes

“ There is no other route  
to achieve greatness.  
To touch the skies,  
the young student will  
have to plod on unendingly...”

## WE BELIEVE IN TRAINING THE VERY BEST.

To be a doctor, a surgeon, a healer... is usually a dream that is nurtured and cherished by a student and his parents for many years, much before the child appears for his Std X examinations. Hence, the passion and ambition for success when the child appears for MHT-CET Medicine is manifold.

There is no option in the minds of the parents except Success. At Kalrashukla Classes, having been associated with the families of aspiring young doctors for over 17 years now, we understand the coaching needs of students better than before.

This led us to develop MHT-CET MasterClass for Medicine: a special batch devised for excellence.

This batch will train the best of the best and prepare them for the toughest exam of their careers. Backed by our unique system and methods of study, the exclusive Kalrashukla course and study material, our experienced teachers will guide young minds, mentor them in consistent hard work and sincerity towards their studies.

For we believe there is no other route to achieve greatness. To touch the skies, the young student will have to plod on unendingly till one day he sees the spark. The spark of success... that will go on to become the torch of his glorious future.

# WHO WANTS VICTORY THE MOST, WILL WIN.

Breaking the 190+ barrier at MHT-CET Medicine demands intense, focussed and concentrated effort for 2 full years. It is no mean feat and can be achieved only by a brilliant few.

It requires unrelenting coaching, a burning desire to excel and the discipline to practise, practise, and more practise every single day.

If your child has set his / her eyes on this most exclusive of targets, let us warn you, it is not at all easy to do it. Working hard and performing at peak levels makes huge demands on the child's will power, on his / her physiological and mental attitudes and tests their levels of endurance as few other things ever have or will.

After all, he/she is preparing for that one exam that will make or break not just his/her career, but the entire life.

At Kalrashukla Classes, we take our students careers and future very, very seriously. With the launch of our special batch: MHT-CET MasterClass for Medicine, we are taking coaching to a new level.

This is an exclusive batch with very stringent entrance procedures, and multiple levels of elimination. We are very clear that only 25 best and most committed students will make it to MasterClass 2010. Here our most successful faculty will work closely with the students, guiding them at every level, monitoring their every progress... doing everything that is required to ensure that they make it to the coveted 190+ ranks.

If you believe your child has what it takes to stand head and shoulders above his / her peers, enroll your child for MHT-CET MasterClass for Medicine today. And prepare him / her to prove himself / herself on every single day.

# MHT-CET MASTERCLASS FOR MEDICINE

### A special batch that prepares for success!

The exclusive focus of the course is to help the students to achieve 190+ at MHT-CET Medicine.

The size of this batch will be limited to just 25 of the best applicants, who will be selected through a rigorous selection procedure. The coaching devised for this course targets to obtain admissions for the students at one of the four premier medical colleges in Mumbai.

The course will be offered initially at our Dadar, Vile Parle and Mulund centres.

### SELECTION CRITERIA

- Std. X performance
- A series of individual interviews
- A few analytical tests

**Batches:** Only one batch at each centre (Dadar, Vile Parle, Mulund). The course will commence in the 1st week of July 2010 and come to an end on April 30, 2012.

### Timings:

Morning: 7:00 am to 1:30 pm  
Evening: 6:00 pm to 9:00 pm

During holidays (weekends, Diwali vacations, summer vacations, Christmas vacations) and on public holidays, lectures will be held in the morning, and during college days, the lectures will be held in the evening.

### INTENSIVE LECTURE PROGRAMME

Once the students are selected for MHT-CET MasterClass, they must be prepared to put in 3 hours of self-study everyday till they appear for the MHT-CET exams.

Initially, topics which are common to both, Std. XI and Std. XII, will be taught. While simultaneous coaching will be imparted for HSC syllabus and MHT-CET for Physics and Chemistry; the MHT-CET coaching in Biology will be done only after the completion of their HSC syllabus. This will help students to have a well-balanced, evenly-spread and steady curriculum which will therefore not put too much pressure on them.

### DOUBT SOLVING

In case of doubts and additional questions, these will be cleared in the class itself. Students will be provided with additional study material to help them become absolutely thorough in all subjects.

### SPECIAL COACHING & SUPPORT

The limited number of students in the batch will ensure in-depth, one to one interaction between the student and faculty. Openhouses will be held every fortnight and regular counselling will be given to students to improve their performance.

### PLEASE NOTE

The student's performance will be continuously evaluated for 2 months from the date of commencement of the course. During this period, if the student does not perform to the required standards of the MasterClass course, he/she shall be shifted to the Ranker's Batch.

### LECTURE FREQUENCY

Each day, there will be 4 lectures held, with each lecture of 90 minutes duration.

### SUMMARY OF COACHING HOURS

Std.	No. of Hours
Std. XI	400
Std. XII + MED. CET	900

**NOTE:** In addition to training the students for MHT-CET Medicine, guidance will also be provided for other entrance exams.

### TESTS

A salient feature of MHT-CET MasterClass for Medicine is more number of tests. As the course is focussed on top performing achievers, tests will be set to challenge their specific skill sets. The course has been planned to allow us to conduct a large number of tests over a well-spread time period.

**For Std. XI:** A total of 24 tests.

**For Std. XII:** A total of 40 tests.

These will include regular chapterwise tests and terminal tests.

For MHT-CET Medicine: A total of 120 tests. Besides these tests and terminal exams, Prelims (3 for HSC and 20 for MHT-CET) will also be held.

**NOTE:** Any student who wishes to write extra tests will be welcome to do so. The detailed timetable booklet will be given to students before Christmas vacation so that there is no confusion at any later stage. This will help them properly plan their studies.

### ASSESSMENT OF TEST PAPERS

The test papers will be assessed by the teachers teaching the MasterClass students on a weekly basis. These teachers are well-versed with the marking pattern in the HSC Board Exams, and will help the student to assess his / her progress and help plan the future preparation accordingly.

Assessed papers will be returned to the students within a week of the test. In addition, students will have the facility to get their papers reassessed personally as well.

Tests for MHT-CET are assessed using 'Scantron' computerised

hardware and software, as employed by the Directorate of Medical Education and Research (DMER) authorities. This results in quick, accurate marking and assessment.

### FEES

Fees can be paid in 4 equal installments. First, at the time of admission. Second, in November 2010. Third, in May 2011. Final installment in August 2011.

MHT-CET MasterClass for Medicine:  
Rs. 2,00,000 + service tax as applicable.

## GENERAL INFORMATION

### REFUND OF FEES

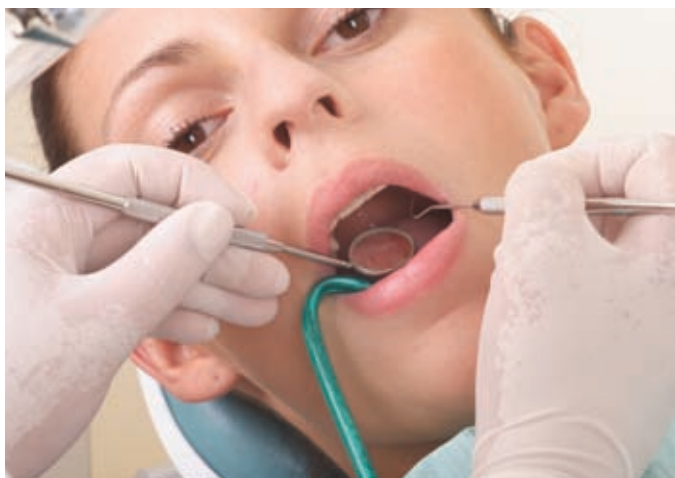

There is absolutely no refund of fees under any circumstances (including change of plans, change of residence, transfers, change of college, change of stream, etc.) except under the Disclaimer Clause.

### DISCLAIMER CLAUSE FOR ALL COURSES

Normally, in any institute the fee once paid is neither refundable nor adjustable under any circumstances. So, when a student joins a course, inspite of the fact that he may not be satisfied with the services provided, he has to continue there because fees will not be refunded. We are supremely confident of the quality of our teaching and services rendered to the students. However in order to be fair to the student community, we have a 'Disclaimer Clause' whereby a student has the option of disclaiming his admission within a week of the start of the course. No questions will be asked. Full fees, minus the total Service Tax, will be refunded on receipt of a written request signed by the student's parent/guardian.

To take advantage of Disclaimer Clause, a student should have attended all the lectures on at least the first day of the course or first day after joining the course according to the timetable of his/her batch or course.

The Disclaimer Clause is NOT applicable if we receive the 'request' later than seven days of the start of the course.

### FOR STUDENTS WHO FAIL IN STD XI

The course for Std. XII at our institute commences while the students are still in Std. XI. By the time the Std. XI college results are declared, over 50% of the Std. XII syllabus is completed. A student detained in Std. XI can opt out of further coaching by presenting a certified copy of his Std. XI Mark-sheet within 7 days of the declaration of results, whereby only 50% of the fees paid for Std. XII and MHT-CET would be refunded by cheque, less the total Service Tax.

### IMPORTANT POINTS

■ **Student Responsiveness:** Commensurate with our sincere efforts to provide the best guidance, we expect you too, to be equally responsive by working hard throughout the course period. Therefore, this course is not for those who wish to just get enrolled and wait for the miracle to happen.

The course at our classes is very demanding and requires commitment and determination to meet the challenge. You must weigh all pros and cons before you enroll with us. And unless you are willing to be determined, dedicated and disciplined, you need not seek admission with us; you might be depriving the benefits of our classes to many other deserving students who are eager to join.

■ **Lecture Timings:** The Dates, Timings and Duration mentioned in this Prospectus are tentative.

■ **Study Material:** Authentic, comprehensive yet concise, the study material comes in the form of professionally printed books/booklets.

■ **Attendance:** Attendance is a must for all lectures and tests. Parents are requested to ensure their child's regularity and punctuality for the lectures and tests.

■ **Discipline:** Disorderly conduct or non-compliance with rules and regulations of the institute will disqualify students from further attendance, solely at the cost and risk of the student's own future.

■ **Parent-student Counselling:** Efforts are made to involve both parents and their wards, on a one-to-one basis, in cases where

there seems to be a lack of commitment. Regular updates on each student's attendance and test performance are offered through normal telephone lines, Email or SMS.

We ensure that every parent is well aware of marks scored by child in every test conducted by us.

■ **Service Tax:** Service tax is payable at the rate applicable at the time of paying the fee/installment.

■ **Rebate on Fees:** Fees are fixed and no arbitrary discounts are offered to anyone, irrespective of personal relationships or financial conditions.

Rebate in fees will be given to siblings of our past students.

## ADMISSION PROCEDURE

■ **Documents:** At the time of admission, a student must come personally accompanied by one of his parents, and submit the following documents :

1. Application Form, duly filled and complete in all respects.
2. Certified photocopy of Std. X Mark-sheet.
3. Two, recent, stamp-size, unattested colour photographs. Certified photocopy of the Mark-sheet will be returned immediately after verification. The photographs will be retained by the institute.

■ **Fees:** The fees can be paid in cash or by a local Cheque / Pay Order / Demand Draft in favour of Kalrashukla Classes Private Limited and must accompany the Admission Form. Fees can also be paid by any MASTER / VISA Credit / Debit Card.

Preferred mode of payment for fees is by Cheque / Pay Order. In case a parent wishes to pay in Cash, then the fees must be paid before 3:00 pm on bank working days. After 3:00 pm, fees in Cash will NOT be accepted.

Students must retain all receipts very carefully and present them whenever requested by the management.

Those students who fail to pay subsequent installments by the due dates will have their admission declared null and void, and

the monies paid earlier will be forfeited. The Management does not take the responsibility of reminding the students about ensuring payment of subsequent installments.

■ **Fees in Installments:** Please submit a post-dated cheque for each installment separately. The post-dated cheques (PDC) must have dates according to the following instructions:

In case, date of admission is 5th July 2010 then,

- The date of second installment will be 5th Nov. 2010.
- The date of third installment will be 5th May, 2011.
- The date of final installment will be 5th Aug. 2011.

### PLEASE NOTE

- It is compulsory to submit PDCs at the time of admission, in case of payment by installments.
- The admission form will not be accepted without PDCs.
- Parents will be given an acknowledgment slip with the details of PDCs submitted.
- Parents may pay for a few or all of the installments by cash / credit card, provided that the payment is done a day prior to the due date of installment.
- In the case of dishonored cheque, parents will have to pay applicable bank charges for every default.
